### Round 2 – Mens A Game Highlights Lake Mac v Central

Mens A went down in a close game with central in the grand final rematch from last year 13-12. It was a hard match which was goal for goal the entire game. Big game by Jacob Pizzingrilli in goals, making some grand saves. Showing great courage and not being scared to use his head when needed!

A big thanks to Lochie Turner and Mitch Evans who both came up and played really well. It was great to have them there to other boys a rest, when needed.

Some great outside shooting from Toby Hunt and Matt Skinner which kept us in the game. The game would not have been completed without a Phil Reid trademark lob! We won't talk about the second one he tried...

It was a shame not to come away with at least a draw. But it was still a good result playing without Brenden our regular centre forward. Also Sean who just had his shoulder operated on. But still came up to help out on the sideline. So a big thanks to him.

Boys have some work to do before next weeks game against Easts. With fitness, passing and clock awareness are the key things for the whole team to work on.

**Goal scorers:** Matt Skinner 4, Toby Hunt 3, Phil Reid 2, Clint Bryant 2, Ryan Grubb 1.

**Next Meeting:** Thurs 13 Oct 7pm (while training is on)  
Swansea Club House. All Welcome!
